## KOFFEL ANNOUNCES NEW HIRES

Koffel Associates, Inc. is pleased to announce the hiring of Rosalie Wills, PE, as Registered Fire Protection Engineer and Benjamin Hellerman as CAD Operator.

Wills received her Bachelor of Science and Master's Degree in Fire Protection Engineering from the University of Maryland, James A. Clark School of Engineering. Prior to joining Koffel Associates, on a full time basis, Ms. Wills worked with Koffel Associates as an intern while attending the University of Maryland. Over the past three years, Rosalie has been working as a Fire Engineer for Arup in Washington, D.C. and worked on many different projects of various occupancies in various states with a particular interest in fire modeling. She is a member on the board of the Chesapeake Chapter of SFPE and the UMD Alumni Club.

Hellerman received his Certificate of Proficiency in Computer-Aided Design Technology and Certified Bookkeeping Certificate from Howard Community College and is a Certified User of Intuit QuickBooks. His experience includes using AutoCAD and Revit software for various types of projects.

### ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' has more than 30 Fire Protection Engineers and technicians that provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
