BILL KOFFEL RECEIVES STANDARDS MEDAL FROM NFPA STANDARDS COUNCIL

Koffel Associates, Inc. is proud to announce that William "Bill" Koffel was presented with The Standards Medal from the National Fire Protection Association (NFPA) Standards Council at the NFPA Conference on June 11th. This great honor is awarded for outstanding contributions to fire safety in the development of standards prepared by NFPA Technical Committees. This is this the most distinguished award given by the NFPA Standards Council.

Mr. Koffel has been a member of NFPA for 39 years and has served on 27 technical committees. He is a certified instructor for NFPA and travels both nationally and internationally, conducting training sessions where he shares his love and knowledge of fire protection.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 30 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
