EXPERTLY ENGINEERING SAFETY FROM FIRE

## Bill Koffel Appointed Chair of NFPA Technical Committee

Koffel Associates, Inc., strives to be on the forefront of code advancement and development. In line with these efforts, we are happy to announce that William Koffel, FSFPE, PE, has been appointed as Chair on the NFPA Technical Committee on Health Care Occupancies (BLD-HEA).

Mr. Koffel's continued involvement in the code process is just one of the many ways we are *your* direct line to an expert.

### ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 22 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
