SHARON GILYEAT RECEIVES COMMITTEE SERVICE AWARD FROM NFPA STANDARDS COUNCIL

Koffel Associates, Inc. is proud to announce that Sharon Gilyeat received the 2020 Committee Service Award from the National Fire Protection Association (NFPA) Standards Council. This award was given to Mrs. Gilyeat for her continuous voluntary service as a technical committee member, and for her distinguished and outstanding service to NFPA in the development of NFPA Codes and Standards.

Mrs. Gilyeat has been a member of NFPA for 40 years and is active in several NFPA Technical and Correlating Committees, including NFPA 45, 82, 99, 101, 115, and 5000. She has developed and taught courses on *NFPA 101®*, *Life Safety Code®*, the Fire Safety Evaluation System, and NFPA 99, Standards for Health Care Facilities. She is a certified instructor for NFPA and enjoys conducting training sessions where she shares her love and knowledge of her many years of teaching and working in the fire protection industry.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
