NFPA Instructors are *THE* Difference. When Sherrill Nardontonia, Regulatory Compliance Assistant at York Hospital, York, PA, was pulled aside last year by the hospital's Director of Engineering she had no idea what career changing event was in store for her. The hospital had undergone seven life safety surveys in one year, and the Engineers needed a “go-to” person to manage code compliance.

As an administrative assistant who had never cracked a code book, Sherrill took the advice of the engineers by registering for an NFPA training seminar. The 5-day seminar – NFPA 99 and the SOC for Joint Commission Compliance Certificate Program (page 21) was a whirlwind of information. By day 5 she had gone from 0 to 60 MPH in terms of learning. “This seminar paved the way for me to be all I can be to uphold the high standards set by the Director of Engineering.”

When asked what made the difference in her learning experience, Sherrill pointed directly to NFPA instructors **CUT COPY** Bill Koffel and Jim Lathrop. I was captivated by Jim's teaching style and the way he integrated stories to back up his material. Bill was very professional and knowledgeable of every aspect of the codes he was teaching and impressed me with his ability to recite codes immediately when asked a question. These instructors eat, sleep and breathe NFPA, so who better to train you or your company?

“The NFPA training experience gave me a stepping stone to bigger and better things in my career. I would recommend NFPA training to anyone.” **NFPA trainers develop the code. They know the code. They teach the code.**

EARN YOUR CERTIFICATE OF EDUCATIONAL ACHIEVEMENT

Show your proficiency and demonstrate your understanding of seminar topics through NFPA® certificate programs based on the best practices in adult education. Passing the exam will earn your Certificate* of Educational Achievement.

*For general information, including purpose and limitations of NFPA Certificates, go to NFPA.org/certificate (FAQs).

2 WE DEVELOP THE CODE. WE KNOW THE CODE. WE TEACH THE CODE.
