KOFFEL ASSOCIATES AWARDED SMART CEO'S 2016 CORPORATE CULTURE AWARD

We are pleased to have received the [Smart CEO's Corporate Culture Award](#) in 2015 and 2016. Nominated by an independent committee of local business leaders, we were recognized as a company for championing "a positive, productive culture in their organization, and will have worked with employees to develop successful cultural practices". We are proud that our values, the foundation of everything we do, were recognized for benefiting our employees, our clients, and the fire protection industry, as a whole.

SmartCEO's mission is to educate and inspire the business community through its award-winning magazine, connections at C-level events and access to valuable online resources. The December 8, 2016 ceremony will recognize all the Top 2016 Smart CEO Baltimore Firm Awardees for the "positive, productive and performance-driven cultures" each has established and sustained.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 24 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
