KOFFEL ANNOUNCES NEW HIRE

Koffel Associates, Inc. is pleased to announce the hiring of Danielle Brown as Fire Protection Engineer.

Brown received her Bachelor of Science in Fire Protection Engineering from the University of Maryland, James A. Clark School of Engineering. Brown gained experience prior to joining Koffel Associates including: code consulting, life safety and fire alarm and sprinkler systems design for both the DoD and private sector, submittal reviews, site-survey, AFFF and high expansion foam system designs for aircraft hangers, and smoke and heat detector systems acceptance tests. As a Fire Protection Engineering Intern for BWI Airport, she worked with their Office of Maintenance and Utilities providing code consulting and was a Teaching Fellow at the University of Maryland for ENFP320 (Fire Assessment Methods and Laboratory). She is proficient in AutoCAD, Revit, and HASS Systems. Brown is a member of the Society of Fire Protection Engineers – Atlanta Chapter.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 25 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
